LARSON ROAD - RIGHT OF WAY DEDICATION AND COUNTY MAINTENANCE

Frank Gastlin and Chet Hawley appeared before the Board as representatives of the Blueridge Home Owners Association and the property owners along Larson Road.

Presented, was a proposal for a road layout of said road from Rainbow Lake Drive to the Rim Road. It was resolved by the Board to accept the organization's assistance in obtaining the necessary easements and establishing of legal rights of way for all of the portions of the road that are not, presently, dedicated as public rights of way. It was resolved that the said owners should provide easements to the County and, thereby, establish a completely legal dedicated right of way which will provide county maintenance as per A.R.S. 18-207.
